

Vydehi institute of Medical Sciences & RC

Regular Student Welfare Activities

1. Mentoring programme:

Batch of 10 students are assigned a mentor who would liaison & mentor the students throughout their student career.

2. Stress management:

Professor & HOD, Psychiatry would give a training on stress management on the fresher's day and then students who need counselling are identified by mentors/teachers/wardens and are given professional help.

3. Internal Complaints Committee

For any issues related with sexual harassment, the students are free to contact the members of Internal complaints committee. There is zero-tolerance towards sexual harassment in the campus.

4. Anti-ragging committee

For any issues related to ragging, the students are free to contact the members of Anti-ragging committee. There is zero-tolerance towards ragging in the campus.

5. Parent teacher meeting

To discuss the academic progress of under achievers, the parent-teacher meeting is convened periodically. Then special coaching classes are arranged to improve academic progress.

6. Sports and Cultural activities:

Students are encouraged to participate in indoor & outdoor sports activities, co-curricular & extra-curricular activities.
