Department of Anatomy

MBBS phase I Students gave an average rating of 9.4 for the overall effectiveness of teaching in the Anatomy department.

Sl No	Topic/aspects of the T/L experience	Results Anatomy Department
1	Organization of the course contents	98% of the students were satisfied with the teaching and learning experience provided by the department
2	Overall Learning Environment:	94% were happy with overall teaching environment
3	Time allotted to Lectures, practical Assessments	86% were satisfied with the time allotted to each topic/component of lectures, and practical/clinical classes was adequate for learning the materials
4	Maintaining Schedule	100% of the students were satisfied.
5	Infrastructure	90 % were satisfied and 10% could not comment
6	Clinical Material /cases	Not applicable
6	Each Practical and Clinical classes	98 % of the students agreed they had hands on training.
7	Teaching faculty	91% Of the students were happy with the teaching faculty
8	Assessment and feedback:	90% were satisfied with the assessment and feedback system in the department
