

Graduation

Day 2025

WHERE WHITE COATS MEET THE WORLD

MEDICAL | DENTAL

A new chapter began as the Vydehi Group of Institutions celebrated its Graduation Day 2025, honoring the medical and dental graduates stepping into a future of responsibility, resilience, and real-world impact.

With gowns on, hearts full, and purpose ahead, the day reflected everything Vydehi stands for — academic excellence, clinical expertise, and a commitment to care.

Morning to Milestone:

The day opened with a ceremonial lamp lighting and invocation, followed by the official declaration of Graduation Day.

Dr. D. A. Kalpaja, Chairperson, delivered a powerful inaugural note, highlighting Vydehi's legacy of shaping future-ready healthcare leaders.

Oaths, Awards, and Moments to Remember:

Medical and Dental Oath Administration was conducted by senior faculty, reinforcing professional ethics and responsibility.

The event was graced by Chief Guest Dr. Bhagavan B.C., Vice Chancellor, RGUHS, who delivered an inspiring address on vision, value, and vocation.

Recognition followed with the Founder Chairman Dr. D.K. Audikesavulu Award for the Best Outgoing Students — a proud moment for achievers ready to lead.

Voices of the Future:

Graduates shared their reflections, gratitude, and aspirations during the Best Outgoing Student addresses, capturing years of late nights, breakthroughs, and unshakable camaraderie.

Vydehi Flashback:

In one of the most heartwarming segments, “Nostalgic Moments of Vydehi Days” took everyone on a journey down memory lane, bridging the past with what’s next.

The ceremony wrapped up with the National Anthem, followed by lunch — but the legacy created today will last far beyond the closing note.

From classroom to clinic, from student to healer — this was more than just a graduation. It was a launchpad.
