Overview

1. **Event details:** A rally to promote awareness on the theme “One World – One Health” was organized on November 6, 2015, at Bidare Agrahara one of the field practice areas by the Department of Community Medicine, Vydehi Institute of Medical Sciences and Research Centre, Bengaluru, under the joint initiative of the Indian Association of Preventive and Social Medicine (IAPSM) and the Indian Council of Medical Research (ICMR).
2. **Conclusion:** The event aimed to emphasize the One Health approach, underscoring the interconnection between human, animal, and environmental health. A great opportunity for all the medical students, staff and health care professionals to create awareness amongst the Community regarding how the different and important domains of the World are intertwined and how impactful and uplifting it would be to take care of each of these aspects.
