

EXPLORING NEW PARADIGMS IN HEALTHCARE

Vydehi Institute of Medical Sciences and Research Centre (VIMS), has made an indelible mark in the healthcare sector. Over the years, the healthcare provider has emerged one of the best hospitals and leading medical institutes in Bengaluru. VIMS has carved a niche in the field of healthcare and medical education by upholding global standards and introducing innovative and comprehensive care solutions.

The 1600 bedded multi-specialty hospital, offers round the clock services with well-equipped Emergency and Critical Care Units, Blood Bank, Lab and Ambulance Services. VIMS is proud of its exceptional well-trained, highly-qualified healthcare professionals, who uphold the management's vision to provide superlative healthcare services supported by advanced infrastructure.

The hospital has been firm in its commitment to be a one stop medical center offering quality medical care for all. Rising above the realm of therapeutic care, VIMS is committed to focus on preventive care, to enhance the well-being of the society.

EMPOWERING THE COMMUNITY WITH PHILANTHROPIC EFFORTS

- VIMS mission is to make advanced healthcare affordable to all, by offering excellent care with empathy and a drive for continuous improvement through innovation.
- Efforts are taken to improve health awareness in the rural areas of Karnataka, Andhra Pradesh & West Bengal through health camps and awareness programs
- The hospital has collaborated with yojanas and relief projects, CM, PM funds and is able to provide financial assistance to poor citizens.
- VIMS made contributions during the pandemic, by providing exceptional COVID Care to patients.
- VIMS ensures subsidized costs for surgeries and transplantation for those who cannot afford through various channels of charity.
- The doctors and consultants equipped with the finest medi-

cal knowledge and skills, are committed professionals and have adopted the approach of diagnosis based treatment, combined with a humane and empathetic attitude towards patients.

● Upholding global standards, VIMS provides various medical services in its 1600 bedded multi-specialty hospital with a 24*7 Emergency unit, Critical Care Unit, Blood Bank and Lab. In addition to Ayurvedic therapy, the hospital also offers super specialties including Cardiology, Cardio-thoracic Surgery, Oncology, Onco-Surgery, Neurology, Neurosurgery. VIMS also provides Dental, Maxillofacial Surgery, Physiotherapy, etc..

● VIMS is committed to providing world class, holistic healthcare services to the community, by training medical and paramedical professionals and promoting research and academics.

Kalpaja Dalavoi, Chairperson, Vydehi Institute of Medical Sciences, says, "The main motto of the Institute is care, concern and commitment to patients and students alike."

VSH – RENOWNED HEALTHCARE LANDMARK IN AN ALL-NEW AVATAR

VSH Lobby

Vydehi Superspecialty Hospital (VSH) inaugurated on 2nd June 2022, with the blessings of the founder, Late D.K. Audikesavulu, has begun to redefine critical care in the Garden city within a short span of time. The hospital has metamorphosed from the erstwhile Mallya Hospital, one of the pioneering multi-specialty corporate hospitals in Bengaluru and the go-to care centre for the who's who of the city.

COMPREHENSIVE CRITICAL CARE UNDER A SINGLE ROOF

- VSH is on a mission to provide comprehensive critical care because minutes matter in times of emergency
- The hospital is equipped to respond to every medical emergency and is equipped with 30+ superspecialities, top-notch infrastructure and assures quality patient care with a human touch, using cutting edge technology, all under one roof
- Highly experienced and renowned doctors and consultants
- The spectrum of critical care services at VSH range from emergency medicine and trauma care to interventional cardiology / TAVR, cutting edge cardiac surgeries, stroke manage-

ment, advanced wound care with hyperbaric chamber, aesthetics, orthodontics, genetic profiling, advanced ICU and a lot more. The hospital is making great strides under the leadership of D.A. Kalpaja and Dr. Mahesh Kotapalli. VSH boasts of state-of-the-art 5-star facilities, some of the newest advanced technologies and top-notch infrastructure, besides bringing in a renowned team of qualified and experienced specialists. While carrying forward the illustrious legacy, VSH is fast emerging as a healthcare provider of choice for Bengalureans.
