CIRCULAR

Dear Sir/Madam,

Sub:	Wearing APRONS outside College & Hospital premises-Reg
Ref:	E-mail letter by Dr. K H S Rao, Consultant Dermatologist, Central Health Service, Bangalore, dated: 01/03/2023.

With reference to the above subject it is observed that the students of affiliated college of RGUHS Bangalore and the junior doctors/students of Medical/Dental/Nursing/AYUSH/Pharmacy/Physiotherapy/Allied Health Science courses, are wearing APRONS outside the College/Hospital premises and while travelling in public transports. It not only looks odd but belittles the importance of the attire and wearing the same aprons in public places and work spots is also unhygienic.

Hence in this regard, you are hereby directed to issue clear instructions to all the students of your college to strictly avoid wearing aprons in public places and while travelling in public transports. It is directed to all the students to follow the instructions strictly.
