

VYDEHI CLINIC INAUGURATED AT MANDUR

A NEW CHAPTER IN COMMUNITY HEALTHCARE

The Vydehi Institute of Medical Sciences and Research Centre proudly inaugurated the Vydehi Clinic – Mandur on 24th April 2025, furthering its mission to make quality healthcare accessible to every community it serves.

The inauguration was marked by a special ribbon-cutting ceremony by Ms. Vydehi, whose name the institution carries forward with deep love and meaning.

Dr. Mahesh B. Kottapalli, Advisor, Vydehi Institute of Medical Sciences and Research Center, also graced the occasion, reinforcing the institution's vision for community-first healthcare along with other dignitaries. The clinic aims to deliver trusted, compassionate care through specialties including:

► Orthopaedics ► General Medicine ► General Surgery ► Obstetrics & Gynaecology (OBG)

with many other facilities such as Blood Test, Health Checkup and more.

Speaking on the occasion, Dr. Mahesh B. Kottapalli shared:

"This clinic is more than a healthcare facility—it is a commitment to wellness and dignity for every individual, reminding us of the values we stand for—care, inclusivity, and humanity."

The event saw active participation from local residents, healthcare professionals, and community leaders, all coming together to welcome a new era of accessible, expert care in Mandur.
