

# VYDEHI HOSPITAL INAUGURATES ADDITIONAL CARDIOLOGY OPD TO ENHANCE ACCESS TO ADVANCED HEART CARE

**Bengaluru, June 05, 2026:** As part of its ongoing commitment to providing accessible and comprehensive healthcare services, Vydehi Hospital has inaugurated an additional Cardiology Outpatient Department (OPD) within its campus. The new facility has been established to enhance patient convenience and meet the growing demand for specialized cardiac care.

The inauguration ceremony was graced by Miss Vydehi, who formally inaugurated the facility in the presence of Dr. D. A. Kalpaja, Chairperson, Vydehi Group of Institutions, and Dr. Mahesh Kottapalli, Advisor, VIMS & RC, along with senior faculty members, clinicians, administrators, and staff.

The newly opened Cardiology OPD is designed to provide patients with easier access to expert consultations, advanced diagnostic services, and comprehensive cardiovascular care. By expanding its cardiac care infrastructure, Vydehi Hospital aims to ensure timely evaluation, diagnosis, treatment, and follow-up care for patients with various heart conditions.

Speaking on the occasion, the hospital leadership emphasized the importance of strengthening healthcare facilities to address the increasing prevalence of cardiovascular diseases and reaffirmed Vydehi Hospital's dedication to delivering patient-centered, evidence-based care.

The additional OPD will support improved patient flow, reduced waiting times, and enhanced accessibility to specialized cardiac services, further strengthening Vydehi Hospital's position as a trusted destination for advanced healthcare in the region.

With this latest addition, Vydehi Hospital continues its mission of combining clinical excellence, advanced technology, and compassionate care to improve the health and well-being of the community.
