

VYDEHI HOSPITAL INAUGURATES VARIAN TRUEBEAM WITH HYPERSIGHT & HYPERARC, USHERING IN A NEW ERA OF PRECISION CANCER CARE

Bengaluru, June 05, 2026: Vydehi Institute of Medical Sciences & Research Centre (VIMS & RC) proudly inaugurated the Varian TrueBeam Linear Accelerator integrated with HyperSight and HyperArc technologies at the Department of Radiation Oncology on 5th June 2026, marking a significant advancement in its cancer care services.

The inauguration ceremony was graced by Miss Vydehi, who formally inaugurated the facility, in the presence of Dr. D. A. Kalpaja, Chairperson, Vydehi Group of Institutions, and Dr. Mahesh Kottapalli, Advisor, VIMS & RC, along with senior faculty members, clinicians, administrators, and staff.

The newly commissioned Varian TrueBeam system is among the most advanced radiation therapy platforms available today, designed to deliver highly precise and targeted cancer treatment. Equipped with HyperSight imaging technology and HyperArc radiosurgery capabilities, the system enables clinicians to visualize tumors with exceptional clarity and accuracy, facilitating personalized treatment planning and delivery.

This advanced platform supports a wide range of radiation therapy procedures, including complex treatments for tumors located near critical organs. By combining superior imaging, precision targeting, and efficient treatment delivery, the technology helps improve treatment effectiveness while enhancing patient safety and comfort.

Speaking on the occasion, the leadership reaffirmed Vydehi Hospital's commitment to continuously adopting cutting-edge medical technologies that elevate the standards of patient care and clinical excellence.

The addition of Varian TrueBeam with HyperSight & HyperArc further strengthens the Department of Radiation Oncology's ability to provide comprehensive, world-class cancer care under one roof. This milestone reflects Vydehi Hospital's ongoing mission to advance healthcare through innovation, research, and compassionate service.

As cancer care continues to evolve, Vydehi Hospital remains dedicated to offering patients access to the latest treatment modalities, ensuring better outcomes and an improved quality of life.

Advancing Cancer Care Through Innovation, Precision & Compassion.
